Airwastewater Management Sdn Bhd (AWWAM) has been appointed as the first and the pioneer training provider for Environment Institute of Malaysia (EiMAS) for the Certified Environmental Profesional in Scheduled Waste Management (CePSWaM) Competency Courses since March 2009.

AWWAM's trainers have accumulated very extensive training experiences in conducting CePSWaM training courses for various types of industrial participants and as of 17th March 2023 AWWAM has trained over 12,500 CePSWaM participants from the various backgrounds.

Now that our Pusat Latihan Alam Sekitar (PLASMA) has been approved by the Department of Occupational Safety & Health (DOSH) as the Training Centre for Occupational Safety & Health Coordinator (OSH-C) Trained person Courses.

This training course is focused to train OSH-C of Small Medium Industries (SMI) to be a trained person. Certificate of trained person will be awarded to participants who are successfully completed the course and passed assessments by AWWAM.

Through the strategic plan of OSH in the SMIs Sector 2016-2020 (SMI 2020) under strategy 6, one of the specific program planned is to maximize the number of OSH practitioners. Each SMI shall appoint at least one employee to carry out the role of OSH-C in managing OSH affairs.
