

# WORKSHOP ON THE PREPARATION OF SCHEDULED WASTE INFORMATION (WASTE CARD)

(A STEP-BY-STEP PROCESS TOGETHER WITH THE LABORATORY PRACTICAL EXERCISES)

## Programme Rationale

This workshop is designed to provide a step-by-step process to the participants to prepare good quality SW information (waste card) for the SW generated by using a **SW SAMPLE TEMPLATE** provided. The workshop will also guide participants with laboratory practical exercises and attempt to provide the most appropriate safety information of the SW for the waste card. The completed waste card could be used by the transporter as safety and emergency precautions or as instructions during the transportation or by the handler during storage, of the SW. At the end of the workshop, it is expected that participants should be able to develop and prepare the SW card themselves.

## Workshop Objectives

- To enhance participants' knowledge on the requirements of SW information (waste card).
- To guide participants on the appropriate approach to develop and prepare SW information (waste card) for the SW generated.
- To guide participants on a step-by-step process to review safety data sheet (SDS) information of the raw materials that present in the SW.
- To expose participants in the laboratory practical exercises to conduct testing of physical properties of the SW.

## 2-Day Workshop Contents

- Safety Guidelines Briefing
- SW Information Format (Seventh Schedule)
- Laboratory Practical
- Preparation of SW Information (Waste Card)

### IMPORTANT NOTES TO PARTICIPANTS:

- Participants are required to bring their own laptop for preparation of waste card.
- Template will be provided.
- Size of SW sample that you bring shall be approximately 500 gram or 500mL.
- You are **not allowed** to bring explosive sample (**Label 1**) or infectious sample (**Label 9**). Please take precautions for other samples that you bring to the workshop.
- Bring copies of the SDS & relevant information of the raw materials that generate SW.
- Please wear suitable attire for laboratory practical including covered shoes (lab coat will be provided).

HRDCorp SBL Khas Serial No: 10001355699

**RM1,400.00/PAX**

Excluding 8% SST.

**12 CPD\***

NEED  
ADDITIONAL WASTE CARD?

**RM475.00/sample**

(Fee excluding SST 8%)

**Limited to 15 participants per session only.**

\*Subject to EIMAS approval.

\*\*Updated as of October 2023.

Subject to change.

## Workshop Date

No	Date**	Venue
1	15 - 16 February 2024	<b>Theory:</b> PLASMA, Seremban 2, <b>Practical:</b> AELS Laboratory, Seremban 2
2	02 - 03 May 2024	
3	11 - 12 July 2024	
4	10 - 11 October 2024	

## Who Should Attend This Workshop

- Waste generators, waste contractors and waste receivers that need to prepare the correct scheduled waste information (waste cards) for their wastes.
- Person who want to learn the step-by-step methods and techniques of preparation of the correct scheduled waste information (waste cards).
- Person who want to upgrade their knowledge in the scheduled waste management.
- Person who want to obtain, top-up or add their Continuing Professional Development (CPD) hours for maintenance of their environmental competency.
