Face to Face: RM950.00/pax (6 CPD\*)

Virtual-Online: RM630.00/pax (2 CPD\*)

(Fee excluding SST 8%), \* Subject to EIMAS approval.

HRDCorp SBL Khas Serial No: 10001322460

## Programme Rationale

This workshop is designed to provide a step-by-step process to the participants to prepare good quality SW information (waste card) for the SW generated by using a **SW SAMPLE TEMPLATE** provided. This workshop will also give exposure to participants through videos on laboratory tests for physical properties and attempt to provide the most appropriate safety information of the SW for the waste card. The completed waste card could be used by the transporter as safety and emergency precautions or as instructions during the transportation or by the handler during storage, of the SW. At the end of the workshop, it is expected that participants should be able to develop and prepare the SW card themselves.
