THE ENVIRONMENTAL SPECIALIST WITH MS ISO 9001:2015 & ISO14001:2015 CERTIFICATIONS

08 August 2022.

Dear our Esteemed Customers,

### **AWWAM Environmental Laboratory Services Sdn Bhd 202201004155 (1449852-M).**

We are pleased to announce that effective 01 September 2022, our division of AWWAM Environmental Laboratory Services shall be operated it businesses under its own organisation name as AWWAM Environmental Laboratory Services Sdn Bhd (AELS). Our AELS is still continuing our present scope of sampling and laboratory testing services in the environment of **Air, Waste & Water (Airwastewater)** as follows:

1. Environmental boundary noise monitoring.
2. Ambient air and stack emission quality monitoring
3. Identification, characterisation & classification of scheduled wastes (ICCSW).
4. Hazardous characteristics of scheduled wastes (HCSW).
5. Preparation of scheduled waste information /scheduled waste cards (SWI).
6. Scheduled waste acceptance criteria (SWAC).
7. Application for special management of scheduled wastes (ASMSW).
8. Environmental quality monitoring for industrial effluents, sewage, surface waters and groundwater.
9. Environmental quality monitoring of soil, sediments and sludges.

AELS is an accredited laboratory to ISO/IEC 17025: 2017, has sufficient resources and capabilities to perform various types of sampling and testing services; fully equipped with modern instrumentation including inductively-coupled plasma-optical emission spectrometer (ICPOES), gas chromatography-mass spectrometer (GCMS), mercury analyser, UV/Vis Spectrophotometer, bomb calorimeter, flash point tester, rotary agitator for TCLP testing, sample digestion system and other wet chemistry testing equipment and apparatuses.

Currently the laboratory is headed by our General Manager, Megat Azim Megat Kamarudin and operated by one Project Manager, 8 Chemists with 2 Technologists.

For any request of services, you may call direct at +606-6037053 or fax at +606-6037054, or email at [airwastewater@awwam.com](mailto:airwastewater@awwam.com) or make contact to the following persons:

- a) Megat Azim Megat Kamarudin (+6019-5842896).

THE ENVIRONMENTAL SPECIALIST WITH MS ISO 9001:2015 & ISO14001:2015 CERTIFICATIONS

15 August 2022.

Dear Our Esteemed CePSWaM Participants,

**Subject: CePSWaM Competency Course held on 08 – 12 August 2022 at Meritin Hotel Kuching.**

On behalf of all the staff of Airwastewater Management Sdn Bhd (AWWAM), with very deep regret we would like to apologize to each and everyone of our 35 member participants attending the subject CePSWaM competency course for all the inconveniences caused by the small class room facilities provided by the Meritin Hotel Kuching. The facilities and the size of the class room provided by the hotel was much below than our standard expectation as per our attached RFQ requirements to them. This is the first ever unfortunate incident that we have encountered in organizing our 428 course sessions with 11,893 participants during our fourteen (14) years of continuously conducting the CePSWaM courses for the Environmental Institute of Malaysia (EiMAS) of the Department of Environment (DOE).

As an ISO 9001 certified organization that strives for quality of services for our participants we are also deeply disappointed with the quality level of facilities and services provided by the hotel. However, pleased be rest assured that immediate action has been taken to not use this kind of hotel and facilities anymore for our future CePSWaM courses.

For the next CePSWaM competency course on 31 Oct – 04 Nov 2022 in Kuching, our Company has incorporated several additional measures for implementing more stringent checklist and verifications of the quality of facilities and services to be provided by the venue of the hotel.

Thank you.

Very truly yours,

**Airwastewater Management Sdn Bhd 200701021637 (779652-U)**

Dr. Ahyar Idris  
Managing Director
