Safety Moment

(Picked from "Safety Moments & Examples Article" published in Oct 12, 2017)

Un-safe Act: Use of mobiles while walking

Following precautions should be adopted to avoid any harmful and (even fatal) impact of mobile phone while walking.

- Don't talk and text on the mobile while walking.
- If you have to talk or text, move to the side of the walkway out of the way of others.
- Never cross or walk in the street while using an electronic device.
- Do not walk with headphones in your ears.
- Keep track of your surroundings.

Jan 23

Safety Moment

Is Your Drinking Water Safe?

Take steps to ensure your drinking water is safe

- Avoid handling the rim or mouth of a drinking container.
- Avoid bottled water when you can. Use glass, ceramic, or metal containers instead for drinking water.
- Do not expose water to the open air or heat, which can introduce germs.
- Discard leftover water that has been sitting for two or more days.
- Verify if drinking water has an expiration date.
- Never reuse plastic bottles for drinking water.
