## AWWAM MESSAGE

### Environmental, Social & Governance (ESG) in Malaysia

As ESG principles gain momentum globally, Malaysia is embracing these practices to ensure sustainable growth, enhanced corporate governance and positive social impact. At AWWAM, we encourage adopting ESG practices to align with national priorities, reduce environmental footprints, and foster a responsible workplace culture.

Let's contribute to Malaysia's sustainable future together!

#### Environmental Sustainability

Focus on sustainability, reducing carbon emissions, conserving resources, waste management and addressing climate change.

#### Social Responsibility

Promote workplace diversity, inclusion, employee well-being, health and safety and community engagement.

#### Governance & Transparency

Ensure transparency, ethical leadership, anti-corruption, strong regulatory compliance and board accountability.

#### Sustainable Finance & Reporting

Support responsible investments, green bonds, and regular ESG reporting for long-term sustainable growth.
