

AWWAM BULLETIN

ISSUE: 45/OCT2025
SEPT - OCT 2025

AWWAM MESSAGE

Climate Change Starts with Us: How Every Choice Matters

What Is Climate Change?

- Long-term shift in global or regional climate patterns, largely caused by human activities.
- The main driver: Greenhouse Gas (GHG) emissions from burning fossil fuels, deforestation, and industrial processes.

Key Facts (Malaysia & Global)

- 🌡️ Earth's temperature has risen by 1.2°C since the late 19th century.
- 🌊 Sea levels are rising by about 3.3 mm per year – threatening coastal areas.
- 🇲🇾 Malaysia recorded a 26% increase in average temperature over the last 40 years (source: MET Malaysia).
- 🚗 Transport contributes around 21% of Malaysia's total GHG emissions.
- 🌳 Deforestation remains a key challenge – Malaysia loses approx. 100,000 hectares of forest annually.

National Commitments & Acts

- Environmental Quality Act 1974 (EQA 1974) – Main law governing pollution control and environmental protection.
- National Policy on Climate Change (2009) – Framework for low-carbon and climate-resilient development.
- Malaysia Climate Change Act – Currently being drafted to coordinate climate action across sectors.
- 12th Malaysia Plan (2021-2025) – Targets 45% reduction in GHG intensity of GDP by 2030 (compared to 2005 levels).

How YOU Can Help

- 🗑️ Reduce waste: Bring your own bottle, refuse single-use plastics.
- 💡 Save energy: Switch off unused lights and devices.
- 🚲 Go green: Use public transport or carpool.
- 🌿 Plant and protect trees: Each tree absorbs ~22 kg of CO₂ per year.
- 🛒 Shop wisely: Choose local, sustainable, and low-carbon products.

🌍 Every Choice Matters

“The fight against climate change begins with awareness, grows with commitment, and succeeds with collective action.”

Airwastewater Management Sdn Bhd

“AIR, WASTE & WATER”, DON'T WASTE THEM!

ACTIVITIES

Official Distribution Collaboration with Weiyel Inc & BNCC at Wuhan, China

On 22 – 24 September 2025, AWWAM representatives visited Wuhan, China to collaborate with Weiyel Inc and BNCC as the official distributor of standard materials and certified reference materials in organic, inorganic and microbiology fields, strengthening international partnerships and expanding our offerings in high-quality laboratory solutions.

National Human Capital Conference Exhibition (NHCCE)

AWWAM proudly participated as an exhibitor at the National Human Capital Conference & Exhibition (NHCCE) 2025, held from 06 - 08 October 2025 at the Malaysia International Trade and Exhibition Centre (MITEC), Kuala Lumpur. The event provided a valuable platform for us to showcase our dedication as a trusted training provider in environmental and safety courses.

Seminar Pengurusan Pembangunan Alam Sekitar, Polisi Strategik, Penguatkuasaan Tegas & Pematuhan Tuntas

On 08 - 09 October 2025, AWWAM participated as an exhibitor at the Seminar Pengurusan Pembangunan Alam Sekitar, Polisi Strategik, Penguatkuasaan Tegas & Pematuhan Tuntas held at the Concorde Hotel, Shah Alam. Organised by Jabatan Alam Sekitar (JAS) Selangor, the event provided an excellent opportunity for Awwam to promote our training courses and services, as well as to strengthen our good rapport with JAS and industry partners in supporting environmental excellence and compliance.

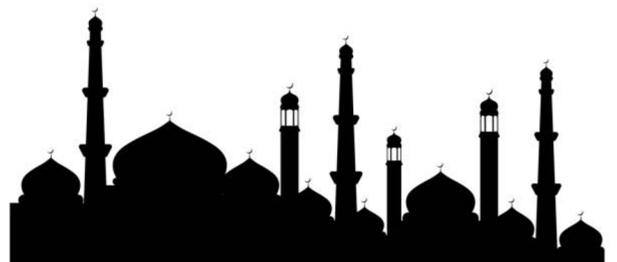

Ilmu Asas Fardhu Ain 4: AWWAM's Spiritual Initiative

On 20 October 2025, AWWAM organised the fourth session of the Knowledge Sharing Program on the Basics of Fardhu Ain, attended by staff as part of ongoing spiritual and personal development efforts located at Pusat Latihan Alam Sekitar Malaysia (PLASMA), Seremban 2.

Faith & Gratitude Gathering

On 26 October 2025, AWWAM held a Faith & Gratitude Gathering, which included a Tahliil and Yasin session at PLASMA, attended by AWWAM management, staff, and their families. AWWAM also invited several asnaf families and children from an orphanage to join the gathering. This event is part of AWWAM's regular initiative to strengthen faith and foster closer bonds among participants.

AWWAM 17th Anniversary Special Offer: Industrial Effluent Testing & Analysis

To celebrate 17 years of service, AWWAM is offering a limited-time promotion on our Industrial Effluent Testing & Analysis services!

💧 Testing based on the Environmental Quality (Industrial Effluent) Regulations 2009, Fifth Schedule and Seventh Schedule, Standard A.

 Purchase Order (PO) must be issued within the promo period.

 Testing can be scheduled anytime after PO submission.

Don't miss this opportunity to get reliable, regulation-compliant testing at a special rate with our accredited lab, AELS!

 For bookings or inquiries, contact us at:

 bnd@awwam.com

AWWAM YEAR-END PROMO: Occupational Safety & Health Coordinator (OSH-C) Course!

Looking to get certified before the year ends? Don't miss this opportunity to join our Occupational Safety & Health Coordinator (OSH-C) course – now with a special year-end offer!

 Why This Course Matters:

Under current DOSH/JKKP guidelines, it is mandatory for workplaces with more than 5 employees (especially SMEs and low-risk industries) to appoint a Trained Person (OSH-C) to manage safety and health coordination at the workplace.

This course meets the competency requirements outlined in the Guidelines on OSH Coordinator by DOSH, in line with the Occupational Safety and Health (Amendment) Act 2022.

 Venue:

Pusat Latihan Alam Sekitar Malaysia (PLASMA), Seremban 2

 Available Date:

• 26 - 28 November 2025

💰 Promo Price:

RM800 per pax only excluding 8% SST.

(Normal Price: RM1,050 - excluding 8% SST)

Limited seats - secure your spot early!
