

AIRWASTEWATER MANAGEMENT SDN BHD

QUALITY POLICY

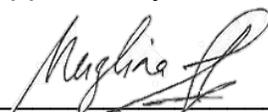

DOC. NO	App1-AWWAM-QP
REV. NO	1
EFF. DATE	05 JANUARY 2026
PAGE NO	Page 2 of 2

Airwastewater Management Sdn Bhd (AWWAM) shall be committed to providing a satisfactory and high quality performance of outputs to all our customers in the business scope of “provision of environmental consultancy, training, monitoring, sampling and laboratory testing” through:

1. Compliance with our customer requirements.
2. Commitment to comply with ISO 9001: 2015 and other applicable legal requirements which AWWAM subscribed that are related to its quality aspects.
3. Continuous improvement of the overall quality of our services to our customers.
4. Continuous improvement of the effectiveness of our Quality Management Services.
5. Provision of a framework for the setting-up and review of our quality objectives and targets.

This policy shall provide a framework for establishing and reviewing our objectives and targets. It shall be documented, implemented and maintained. It shall be communicated to all the employees working for or on behalf of the Company and shall be made available to the public.
